

Sitting Together: an Inclusive Community Project

**Join us and be part of
something special**

Our Vision

**Pioneering support in an
accessible, inclusive community**

Our Mission

**Encompass Care supports people with
learning disabilities and those facing a
period of mental ill health.**

**We exist to enable and empower
people to live their best lives.**

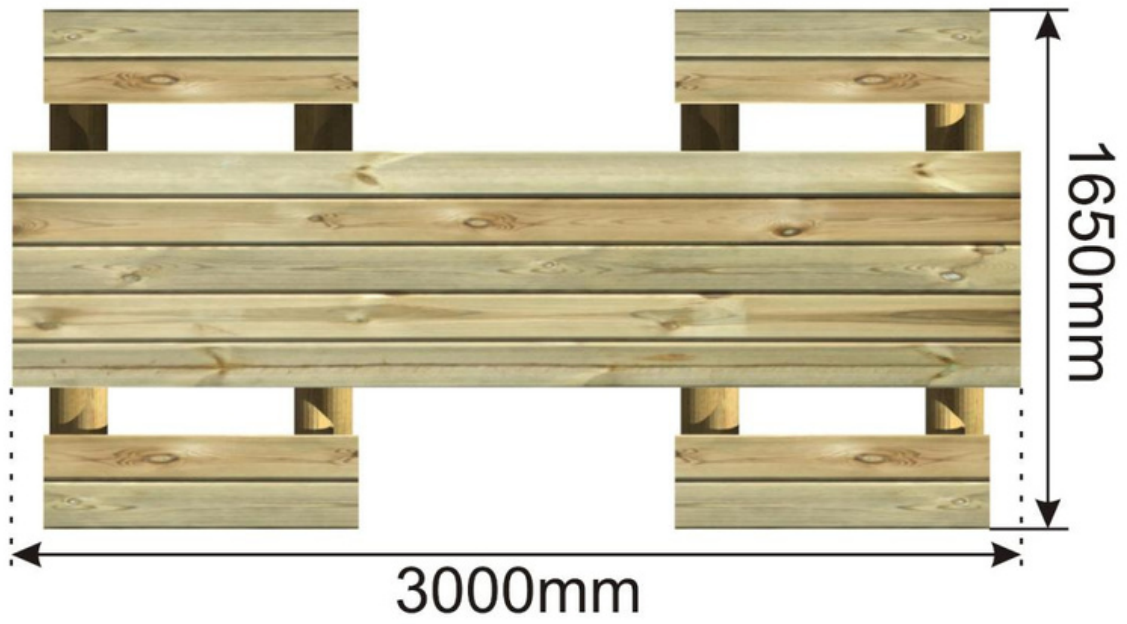

**Through our work, people we support
can achieve true independence,
positive wellbeing and self-worth.**

Sitting Together: Our Inclusive Community Project

Encompass Care is thrilled to introduce our latest initiative, "Sitting Together," a project dedicated to creating wheelchair accessible picnic benches in parks and public areas. Our vision is to foster an accessible and inclusive community where individuals of all abilities can come together, share meals, and enjoy each other's company without barriers. We believe that everyone should have a seat at the table, and we need your help to make this vision a reality.

Plan View

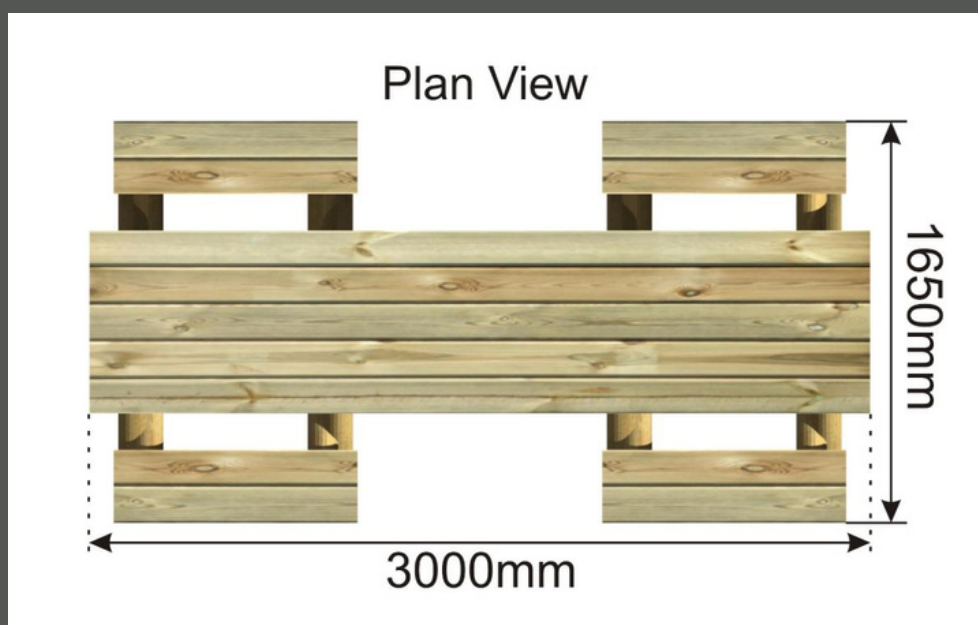

Calling All Carpentry Enthusiasts and College Groups

We are reaching out to individuals with carpentry skills and college groups looking for meaningful community projects. Join us in building wheelchair accessible picnic benches that will provide a comfortable and inclusive seating option for individuals with mobility challenges. Your expertise and dedication will play a vital role in creating a welcoming environment where everyone can gather and connect. Together, we can transform public spaces and break down physical barriers.

Donations of Supplies: Wood for a Better Future

To bring this project to life, we rely on the generous support of individuals and businesses. If you own or work for a company that supplies wood or construction materials, we kindly ask for your assistance. Your donation of supplies will contribute to the construction of these accessible picnic benches and help us create an inclusive environment where everyone feels valued and included. Together, we can build a better future for our community.

Artists, Unleash Your Creativity!

We believe that functional accessibility should be coupled with artistic beauty. We are seeking talented artists who can transform these picnic benches into eye-catching pieces of art. By adding vibrant colors, unique designs, and meaningful artwork, we aim to create visual masterpieces that will enhance the beauty of our community spaces. Your artistic contribution will not only make the benches visually appealing but will also serve as a reminder of the importance of inclusivity and accessibility.

Support and Donate Today

Encompass Care is dedicated to creating a truly inclusive community where everyone feels valued, respected, and included. You can support our "Sitting Together" project in various ways. Visit our website to make a monetary donation specifically for this project, which will directly fund the construction of wheelchair accessible picnic benches. Additionally, you can contribute by donating your time and expertise or by reaching out to us to discuss other ways you can get involved.

Join us in building a community where no one is left behind. Together, we can make a significant impact and create a more accessible, inclusive environment for all.

Contact us today to learn more about how you can support our "Sitting Together: Our Inclusive Community Project" and help us build a brighter future for everyone.
