Exciting news for Encompass Care employees!

We are thrilled to introduce our new staff benefit, Concerts For Carers, aimed at enhancing the mental health and wellbeing of our hardworking care staff. As part of this initiative, you have the chance to win up to two free tickets to some of the most exciting artists and events across the UK.

All you have to do is register as an Encompass Care employee at www.concertsforcarers.org.uk, explore the available events, choose the one you would like to attend, and enter the ballot. If you win, you will receive free tickets to your selected event.

Concerts For Carers presents a great opportunity for you to take a break from your busy work schedule and enjoy some well-deserved downtime. We appreciate the hard work of our care staff and want to support you in every possible way.

Moreover, this benefit is for a great cause! If you win, a small non-refundable fee of £4.50 will go to the Concerts For Carers charity, which aims to improve the lives of care staff by providing them with the necessary support, resources, and services to help them cope with the demands of their job.

Therefore, by winning free concert tickets, you will also be contributing to a noble cause dedicated to improving the lives of people like you who support those in need.

Don't miss this chance to make a difference! Register now at www.concertsforcarers.org.uk and good luck!
