Let's Create a Vibrant Atmosphere

A decorative banner at the top of the page features a string of colorful triangles in orange, pink, and blue, interspersed with white seagulls flying against a light blue background with soft white clouds.

We are seeking passionate individuals and organizations to set up interactive arts and crafts stalls, where attendees can unleash their creativity and take home unique handmade treasures. If you have a talent or skill that you would like to share, whether it's painting, sculpting, or any other form of artistic expression, we invite you to join us and make a lasting impact on our festival-goers.

Savor the Flavors of Community Support

—

Food plays a vital role in any festival experience, and we are looking for generous food vendors who are willing to support our cause. By donating your culinary expertise and providing delicious treats, you can help create a delightful gastronomic journey for all attendees. From mouthwatering burgers to delectable desserts, your contribution will leave a lasting impression on the taste buds and hearts of our festival-goers.

Bring the Music to Life with Your Talent

Live music is the heartbeat of any festival, and we invite talented local artists and bands to donate their time and share their incredible performances with our attendees. Your music has the power to uplift spirits, inspire dancing, and create cherished memories. By lending your musical expertise, you can help us make our Summer Festival a vibrant and unforgettable experience.

Embrace Inclusion and Celebrate Diversity Together

Encompass Care is committed to fostering an inclusive environment where individuals of all abilities can thrive and be celebrated. We invite businesses and individuals alike to support our cause by donating their time, expertise, and resources. By joining us, you are not only contributing to a fantastic summer event but also showing your support for those with learning disabilities and mental health needs.
